ACKNOWLEDGEMENT OF DISCLOSURES/DISCLAIMER

The Federal Trade Commission Trade Regulation Rule on "Funeral Industry Practices" requires certain disclosures and prohibits misrepresentations. The following is a checklist we ask those we serve to read and sign to verify that the funeral arrangement conference was conducted in compliance with the Rule. You who made the arrangements for the funeral and final disposition of the above-named decedent do hereby attest to the following:

1. You were given a General Price List effective on 9-15-03 prior to discussing funeral arrangements or the selection of any funeral goods or services.
2. You were shown a Casket Price List effective on 9-15-03 prior to discussing caskets.
3. You were shown an Outer Burial Container Price List effective on 9-15-03 prior to discussing burial containers.
4. You were advised that the law does not require embalming except in certain special cases.
5. You were not advised that embalming is required for direct cremations, immediate burial, or a closed casket funeral without viewing or visitation if refrigeration is available, where state or local law does not require embalming in such cases.
6. You were not advised that any law requires a casket for direct cremation or that any container, other than an alternative container, is required for direct cremation.
7. You were advised that state law does not require the purchase of an outer burial container or any of the funeral goods or services you selected except as set forth on your Statement of Funeral Goods and Services Selected/Purchase Agreement.
8. No claims were made to you as to the merchandise or services (embalming, casket, outer burial container) to the effect that embalming or the use of any merchandise available from us would delay the decomposition of the remains for a long term or indefinite time, or that any such merchandise would protect the body from gravesite substances. No representations or warranties were made to you about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold with the funeral service we arranged were the expressed written warranties, if any, extended by the manufacturers of such goods. No other warranties were extended to you.
9. You were advised that the funeral firm's cost for the items listed in Part One, Section II, may be different based on volume or cash discounts or other professional/trade customs where permitted by state or local law.
