

## TRIP DIRECTOR DIVE DUTIES

<b>Duty of Care</b>	Ensure all standards and procedures of Mike Bail Dive Expeditions, PADI and Workplace Health and Safety are complied with. If more than one dive staff aboard TD takes on responsibilities of dive co-ordinator (see Code of Practice). TD ensures that divers are correctly tagged according to Safe Scuba System prior to dive 1.
<b>Safe Scuba System (SSS)</b>	Ensure all elements of Safe Scuba System are implemented.
<b>Dive Staff</b>	Brief dive staff on their responsibilities as per Dive Procedure book
<b>Equipment &amp; Paperwork</b>	Check on board prior to departure
<b>Roll Calls</b>	Supervise roll call prior to all vessel relocations. Log sheets signed by diver acceptable as roll call Crew must be included in roll call.
<b>Pre Dive Check</b>	Ensure anchor is secure and dive flag or night dive lights are displayed.
<b>Current, Shot &amp; Deco Lines</b>	Supervise placement prior to diving
<b>Inflatables</b>	Have both inflatables in water prior to diving day/night. <b>Note: Single inflatable OK when passenger numbers &lt;10 and green conditions.</b>
<b>Supervision</b>	Supervise all aspects of dive program. Regularly review dive log sheets.

**THIS IS A DUTY OF CARE PROCEDURE.**
